

Terms of Service

Last updated: 23 May 2026

These terms govern your use of the EasyCancel app, operated by **VINCLI LTD** ("we", "us"). By using the app you agree to them.

What EasyCancel does

EasyCancel helps you track your subscriptions, see your monthly spend, watch the EU/UK 14-day "cooling-off" (right of withdrawal) window, and generate cancellation/withdrawal letter templates.

Not legal advice

EasyCancel is a self-help tool, not a law firm, and does not provide legal advice. The letters it generates are **templates** for your convenience. You are responsible for reviewing them, adapting them to your situation, sending them to the merchant, and following each merchant's cancellation requirements. We do not guarantee any particular outcome.

Accounts

You may use the app as a guest or by signing in. You are responsible for activity under your account and for keeping your access secure.

Subscriptions and billing

EasyCancel is free to download. **EasyCancel Pro** is an optional auto-renewable subscription (monthly or yearly) sold through the Apple App Store. Payment is charged to your Apple ID at confirmation of purchase. It renews automatically unless cancelled at least 24 hours before the end of the current period. Manage or cancel your subscription in your Apple App Store account settings. Prices are shown in the app.

Acceptable use

Don't misuse the app, attempt to disrupt it, or use it for unlawful purposes.

Disclaimer and liability

The app is provided "as is" without warranties of any kind. To the maximum extent permitted by law, VINCLI LTD is not liable for indirect or consequential losses, or for any missed cancellation, charge, or deadline. Nothing in these terms limits rights you have as a consumer that cannot be waived under applicable law.

Governing law

These terms are governed by the laws of England and Wales, without affecting mandatory consumer-protection rights in your country of residence.

Changes

We may update these terms; material changes will be posted here with a new date.
